Dear Parents,

Another school year has almost come to an end. What a year we've had. It has been amazing to see how much each of our children have grown over this past year. Watching them grow and learn is such a rewarding part of our experience as educators!! You have shared with us your most precious treasures; your children. On behalf of our entire staff, please know that we are truly appreciative of all you do and all your support extended to us at all times.

Thank you for making our teachers feel loved during 'Teacher Appreciation Week'! We are very grateful to all our families for spoiling us with food, gifts, cards and flowers!!

Our Scholastic Book Fair this past month was a great success, and we ended the month of May with an amazing Open House & Ice Cream Social. Thank you so much to everyone who came out and supported us!

Pre-Kindergarten

Our school year has flown by and its almost time to say good-bye.... Such a bitter sweet moment. We take pride in all that our children have achieved, through their hard work and willingness to learn. They have grown academically, emotionally, socially, and physically (they already look like kindergarteners!) We are confident they will continue to grow in successful ways in their future.

This month we will review shapes, colors and nursey rhymes learnt during the year along with our letters and numbers. Its another busy month as we prepare for our upcoming events. We are looking forward to our Fathers Day celebrations. Practices for our Grand Concert and Graduation are in full swing.... We cannot wait to showcase all our talent! We look forward to seeing all of you back for our fun and exciting summer program!

Thank you all for a wonderful year! .
