Dear Parents,

September was such a fun and busy month! We had an amazing start to our new school year! The kids have been adjusting well to their new classrooms and routines.

Our grandparent's day was a great success! We were so happy to see so many grandmas, grandpas, opas, abuelas, abuelos, ninas and nanas spend time with their littles!

We had a fire drill during the month of September and will continue to carry out drills periodically to keep our students aware and safe.

We have a busy line up of events this October. We will be participating in the "Great California Shake Out", which is an annual opportunity to practice how to be safe during big earthquakes, as well as participate in the annual "Read for the Record!"

Our Fall Catalog Fundraising Event is lined up to start on October 7th, and we greatly depend on the support of our families to make this successful. Our goal is to have 100% participation.

We look forward to our 'Character Parade around the Gateway Center', which is a much anticipated event.

Sunshine Room

Dear Sunshine Families, It has been an absolutely wonderful start to the new school year. Our little ones have done so well in their transition. We cannot wait to dive into October and work on our fall preparations, with activities incorporating pumpkins. We will use pumpkins in science to explore through feeling and touch and by extracting the seeds, for cooking and tasting. We will also work on a math graph of seeds.

They will continue to practice etiquette, explore new books, revisit their favorite books, write numbers and letters, and enact some fun performances. We are all excited to welcome this new month.

Much Love,

- **Ms. Diane**

Star Room

Hello families! It's been such an exciting month! We've had a great start to our school year getting to know each other. We've learned our class structure and routines, as well as working together as a team.

Fall is definitely in the air and we have some fun activities planned including making spiders, bees, teapots and carving pumpkins!

Please, remember that toys from home are not allowed. Also, please keep a labeled jacket in your child's cubby. If you have any questions about your child, we'll be more than happy to help!

We hope to see you at our costume parade!!!

Pre- Kindergarten

We have had a good start to the year. Our students have acclimatized well to the new class routines. It is especially rewarding to see them working on connecting with each other socially & emotionally.

They are enjoying learning new songs for each alphabet. Our Apple Tasting and Cooking Apple Sauce activities were a huge success!!

Fall is here, bringing with it the sights and smells of the season! We have planned some fun activities with pumpkins, gourds, wheat stalks and autumn corn for science, sensory, and math.

October will be a busy month with letters Aa, Bb, Cc, Dd and Ee and activities related to them. Please be on a look out for sign-up sheets for voluntary contributions to make the children's learning experiences enriching.

Thank you for your generosity and kind support. Looking forward to a Fabulous Fall Season with you!

- **Ms. Rashmi & Ms. Maddy**
